the Registrar shall refer the matter to the Education Committee.

(7) Where a reference is made to the Education Committee under subsection (6), it shall be the duty of the Committee to advise the General Council.

(8) If, after considering the advice of the Education Committee, the General Council is satisfied that it is appropriate to do so, it shall direct the Registrar to disregard subsection (2)(d) in relation to the application in question.

(5) Unless it is converted into full registration in accordance with the rules, any provisional registration shall cease to have effect at the end of the period of one year beginning with the date on which it is entered in the register.

[5A.— Temporary registration for visiting osteopaths from relevant European States

(1) This section applies to an exempt person (“V”) who is lawfully established as an osteopath in a relevant European State other than the United Kingdom (“State A”).

(2) Subsection (3) applies if V has the benefit of regulation 8 of the General Systems Regulations in connection with the provision by V of services as an osteopath in the United Kingdom on a temporary and occasional basis (V having complied with any requirements imposed under Part 2 of those Regulations in connection with the provision by V of services as an osteopath).

(3) V is entitled to be registered as a temporarily registered osteopath; and the Registrar shall give effect to the entitlement.

(4) If V is entitled under subsection (3) to be registered as a temporarily registered osteopath but is not registered with temporary registration, V shall be treated as being registered with temporary registration.

(8) The matters that may be counted as unacceptable professional conduct include (in particular) any act or omission by V during the course of the provision by V of services as an osteopath in the United Kingdom on a temporary and occasional basis that is, or would be if the condition applied in relation to practice as an osteopath outside State A, a breach of the condition.

(9) In subsections (7) and (8) “condition” includes limitation.

(10) Subsections (1) to (6) are not to be taken to prejudice the application, in relation to temporarily registered osteopaths, of any other provision of this Act under which a registered osteopath's name may be removed from the register or under which a registered osteopath's registration may be suspended.
